 Trains leave Carbondale for points north at 11:10 a. m. On Sunday and week days and 6:10 a. m. leaving at 11:00 a. m. week days and 6:10 a. m. Sundays make connections for New York, Cornwall, etc.
 Trains arrive from Scranton at 11:10 a. m.; 6:40 p. m.; from points north, 4:00 p. m. Sundays from Scranton at 8:10 a. m. and 4:45 p. m. from Carbondale at 6:08 p. m.

Subscribers to The Tribune are requested to report any irregularity or confusion in the delivery of this paper, either to the Carbondale branch of The Tribune in the Burke building, or Robert & Reynolds, newsdealers. Some confusion in delivery has been reported to this office, and to aid in efficient service subscribers are urged to report at once any delinquency.

FIRST JUNE BRIDE AT ST. ROSE CHURCH

Pretty Morning Nuptials Yesterday of Miss Catherine Quinn and John Scanlon, Both of Fallbrook Street.

The first of the June brides this season at St. Rose church was Miss Catherine Quinn, daughter of Mrs. Eliza Quinn, of Fallbrook street, who was wedded yesterday morning to John Scanlon, of the same thoroughfare.
 The nuptials were exceedingly pretty and deeply impressed the multitude of young folks who assembled to witness the ceremony. Very Rev. T. F. Coffey, V. G., officiated. While the bridal party was proceeding to the altar rail, Prof. Stockman played the wedding march from Lohengrin at the home of the bride and groom.
 The bride was attended by Miss Margaret Tighe and James Bradley, of Binghamton, was the groom's best man. The bride and her maid were robed in gowns that were a fitting setting to the beautiful tableau. The bride was richly gowned in mode-colored gown of tulle and silk with hand-painted trimming. She wore a hat to match and carried a prayer book. Miss Tighe, the maid, wore a dainty bouquet of silk and carried an exquisite bouquet of roses.
 After the ceremony, there was a reception and breakfast at the home of the bride on Fallbrook street. At 11:30 the bride and groom left over the Ontario and Western for New York city. They will be at home in their pleasantly-furnished home in this city, after June 15.
 The bride is a gracious young lady, whose friendship is valued by a wide circle of friends, whose warmest wishes are offered on this happy occasion. Her husband is an engineer on the Ontario and Western, and, besides enjoying the confidence of his superiors, he has the good will and esteem of a multitude of friends.

MISCHIEVOUS MINE MULES.

Those Sent Over the Country Arouse Owners of Pastures and Crops.

The festive mine mule which usually receives credit for most of the mischief of mine life is sustaining his record on terra firma in the most picturesque manner when he was sent after the inauguration of the coal strike.
 From over the hills over Clifford and Dundaff way, from the centre of Susquehanna county, comes the cry that Mr. Mule, who is notorious for that way, is having the biggest kind of a picnic with the crops of the farmers over that way. Saturday one hundred of the friskiest of them, just enough to raise all sorts of mischief and mule

FOOD AND GIRLS.

Study Don't Hurt if They Are Fed Right.

Some time ago one of the ladies' papers published an article, based on letters from mothers, speaking of broken down school girls. Trust, overwork and too much confinement is largely responsible, but, on the other hand, if the girl is fed on the right kind of food to rebuild the daily vigils she can stand more work and the mother of God is the real foundation of the school.
 A 17-year-old girl writes from Caro, Mich., about how a change in food helped her. "I am only a school girl 17 years old, but I am old enough to appreciate what the wonderful brain food Grape-Nuts has done for me. About two years ago my health became very poor and I was unable to study, and finally obliged to leave school.
 I was put on Grape-Nuts breakfast food. In about three months I recovered my strength, my mind became much more clear and acute and I was able to resume school work.
 I continued to use Grape-Nuts until I recovered the weight that I had lost. I gained so much in weight that I had to discontinue it. It is the best food I have heard of for building up a broken down system.
 I have an aunt who went to India as a missionary and while there she was ill four times with Indian fever and became a mere skeleton. When she returned here her muscles were so flabby as could be. She was put on Grape-Nuts breakfast food and quickly recovered. Her muscles grew hard and firm and she entirely regained her health, has greatly increased in weight and never knows a sick day now. She is still eating Grape-Nuts and says she would not do without the food for anything.
 I can never say enough in praise of this wonderful food." Name given by Postum Co., Battle Creek, Mich.
 Ask the cook to show you the recipe book in the package of Grape-Nuts.

COAL IS SCARCER.

Carbondale's Small Industries Dependent on Outside Washeries. Suspension if They Shut Down. Man Hung in Effigy in Forest City. No Change in Situation.

The shutting down, under the direction of the United Mine Workers, of the small individual workings and breakers hereabouts is beginning to show its effect in a scarcity of coal, that is causing some apprehension among the owners of small industrial plants.
 The source of supply now is from outside dealers and the question is how long will these places be able to produce sufficient coal for those in this city who are their patrons and whose users are considerable each day. Another expected early supply is one owned by Frank Hollenback of this city. Mr. Hollenback has secured a culm dump, north of the city, which he proposes to screen. So soon as he can get a sufficient number of teams ready for service he will commence to screen the coal and haul it to the ready purchasers here who will find in this city and vicinity. While this supply will necessarily be limited, it will be quite an assurance to local proprietors, whose reduced business are a good deal of concern to them.
 Many families in the city, principally on the outskirts, are improving these idle days by filling their coal sheds with coal that they pick here and there, where they might not be trespassing and where there is no interference. This is true along the valleys where at the various old dumps as many as a hundred persons in one place can be observed picking coal.
 There was no change yesterday in the strike situation. The four engineers who remained at their posts are doing nothing about the mines is as quiet as a holiday, and characteristic of them none of the Carbondale miners has even a loud word to utter against the condition of affairs. No community could be more peaceable under any circumstances.
 Hung in Effigy.
 The only action in protest against the firemen, pumpmen, etc., at work in the upper valley was at Forest City on Tuesday. It was the work of boys and consisted in hanging in effigy a figure to represent the men who refused to leave their work in the Forest City mines in obedience to the order to become effective last Monday.
 The figure is well put together. It is dressed in a mine worker's suit and swings from a guide wire on one of the Scranton Railway company's poles, in front of Farrell's restaurant, at the southern entrance to the borough. On the dummy, painted or pastebored, is the word "scab."

A CLASS ODE.

Written for Princeton Alumni by Rev. D. D. Jenkins, B. B., of Uniondale.

Rev. D. D. Jenkins, B. B., pastor of the Presbyterian church, at Uniondale, who is a frequent visitor at Carbondale, having preached in the Welsh Presbyterian church on South Church street, has written a class ode for the class of '77 of Princeton university, of which he was a member.
 The ode is to be sung to music by Prof. George Marks Evans, of Wilkes-Barre, a musician and composer of note in this section. Critics declare that the words and music are excellent.
 The ode will be sung at the reunion of the class of '77 which will take place at the commencement exercises of this year, beginning Friday next. Incidentally it might be mentioned that the class of '77 has perhaps the largest number of distinguished men graduated from Princeton at one time. Among the achievements which the class boasts of is the return of six of its members as instructors in the university in less than ten years, and the sum of money raised among the members and donated to the biological building within the same period.

THREE GRADUATE NURSES.

Will Receive Diplomas at Emergency Hospital This Month.

Miss Florence Wright, superintendent of Emergency hospital, is expected from her home in Canada, where she has been recuperating, about June 15, and after her arrival she will receive and announce the date of the graduation exercises of the training school for nurses of the hospital.
 While all of the examinations have been completed, the members of this year's class have all qualified and are ready to receive their diplomas. There are three members of the class. They are Miss Ora Loomis, Carbondale; Miss Mary Wilker, Canada; Miss Catherine Gardner, Clifford.
 As heretofore, the exercises will probably take place in the Burke building, surrounded with an interesting programme, which is always an influence in claiming the interest and importance which the noble and heroic work of the professional nurse.

THE BANQUET PROJECT.

Will Be Discussed at Friday's Meeting of High School Alumni.

R. Stanley Rettew, president of the Carbondale High school alumni association has called a meeting for Friday evening in the Central school building.
 While the principal business will be the election of officers, an important matter awaiting discussion is the banquet project. Last year, to the disappointment of many, no banquet was held. This year, however, it is President Rettew's wish to see the association seated about the banquet table. The younger members are likewise in favor of banqueting, and it is possible that this will be the expressed sentiment of Friday night's meeting.
 For this reason, it is hoped that every member, who can, will be present to join in the discussion.

Gone to Chicago.

P. P. McKenna, the South Side meat dealer, left last night for Chicago, where he will visit for some time.

A Home Saddened.

The home of Mr. and Mrs. John C. Swindlehurst, of Wilson Creek, was saddened Tuesday night by the death

PECKVILLE.

The home of Mr. and Mrs. Frank Chivers, of Prospect street, was the scene of a brilliant assemblage on Tuesday evening, the occasion being the marriage of their accomplished daughter, Grace Mildred, to Ernest E. Wescott, of Glenwood. The ceremony was performed in the spacious parlors, festooned with evergreens. Potted plants were used with a pleasing effect about the rooms. Promptly at 8 o'clock the organ pealed forth the strain of Mendelssohn's wedding march, played by Miss Mattie Pickering. A few minutes later, the bride party entered the room, preceded by the officiating clergyman, Rev. J. S. Thomas, and Miss Bessie Craig, as bridesmaid, and Ralph Wescott, as bridegroom. The bride couple took their position under a bower of evergreen and flowers. The beautifully-voiced marriage ceremony of the Baptist church was used. Following the ceremony, the guests partook of a bountiful and daintily served wedding supper. The wedding gifts were many and beautiful, among which was a check for \$50 from the groom's employers, Wescott & Kingsley. Mr. and Mrs. Wescott left on the 11:15 Delaware and Hudson train for New York city. After a brief honeymoon, they will return to Carbondale, where they will reside. Those present were: Mr. and Mrs. John Kinback, Mr. and Mrs. W. J. Broad, Mr. and Mrs. Charles Craig, Mr. and Mrs. Robert Craig, Mr. and Mrs. Joseph Bell, Mr. and Mrs. James Gillespie, Mr. and Mrs. Arch Chivers, Miss Jennie and Cassie Williams, Jennie Dikeman, Mattie Pickering, Bessie Craig, Jennie Williams, Alice Chivers, Jennette Bell, Ruth Chivers, Rev. J. S. Thomas, Messrs. Garfield Thomas, Harry Gard, Theo. Dikeman, Richard Reese; Mesdames H. Samson, Jay Broad, C. E. Craig, Lydia Taylor; Messrs. Joseph Davis, Harry Whitehead, William Lamore, Walter Thompson, David Price, Willie Davis, Boe Vanderburg, of Peckville.

CHRONIA DIARRHOEA.

This disease is generally regarded as incurable, mainly for the reason that the remedies usually employed are ineffectual. That it can be cured, however, has been fully proven in many cases. The following tells of one of them: Mr. T. W. Gresham, of Prattburg, Ga., says: "I had been suffering from chronic diarrhoea for seven years. Last year I began taking Chamberlain's Colic, Cholera and Diarrhoea Remedy, and it has entirely cured me. I had spent lots of money for doctors' medicine in the run of seven years. If it had not been for this remedy I would have been dead now, and I feel that I can never say too much in its favor or recommend it too highly." Sold by All Druggists.

plucked from the tree yesterday by The Tribune man, who visited the place to confirm the glowing stories that were told by those who saw the flower or blossom when it was perfect. As mentioned, the flower or blossom resembled a rose so closely that even only a few feet away one would easily be led in pronouncing it a rose. A closer examination, however, revealed delicately tinted leaves of the stronger hue of the apple tree. This, however, was the only thing about the flower to suggest its belonging to an apple tree. In size it was about two inches in diameter, and in its general appearance it was a much like a rose as any flower or blossom could be.
 There were only two of them on the tree, and both appeared after the usual bloom of crab-apple blossoms had disappeared. This circumstance, added to the strangeness of their appearance. This, too, was the first time that any blossoms of this sort appeared on the tree, though it has been blooming and bearing for several years.
 The strange circumstances of the rose-like blossom, had its effect on the imaginations of the superstitious ones of the neighborhood, and it was regarded as more than one omen of ill.
 Ad the like. Naturally, it is the one topic of discussion in the neighborhood since its appearance.

GRADUATES OF LAW SCHOOLS.

E. Brennan, of This City, Leaves Dickinson College.

Joseph E. Brennan, who commands an influential place among the younger men of Carbondale, graduated from the Dickinson School of Law at Carlisle on Tuesday evening.
 Mr. Brennan, who will be home in a few days, will receive in the congratulations of a legion of friends not only in Carbondale, but up and down the valley where his acquaintance and influence extend, abandoned teaching in the public schools hereabouts two years ago to enter the Dickinson school to fit himself for the profession for which he is well fitted by education and development of his numerous qualities, and by temperament. Many well wishes accompany his entrance into his chosen profession, besides well-founded predictions that he will win success for himself and be worthy to be placed among the numerous sons of Carbondale who are a credit and honor to their native town.
 Mr. Brennan's brother, Patrick and Bernard Brennan, were present at the graduation exercises at Carlisle on Tuesday evening.

HORSE TRAMPLES MAN.

George Dozi, of Mayfield, Badly Injured Last Night.

George Dozi, of Mayfield, was taken to emergency hospital last night, suffering from numerous injuries caused by his horse trampling on him.
 Dozi's nose is broken, four ribs are fractured and his leg is broken. He is not in a dangerous condition, but his injuries will keep him at the hospital for a good part of the summer.
 Dozi met with the distressing accident last evening, while going into his barn to feed the horse. The animal knocked against him with sufficient force to throw him down. While Dozi was on the ground beneath the horse's feet, the animal trampled on him, with serious results. He was immediately taken to the hospital, and was resting quite comfortably last night, despite his numerous severe injuries.

Social Notes.

Mrs. W. H. Edgett gave a floral social Tuesday evening at her home on Lincoln avenue, in the honor of the First Presbyterian church. The guests spent a delightful evening and a neat sum was realized.
 Miss Wilhelmia Mohrs entertained the Young Ladies' Mission band of the First Presbyterian church at her home on Park street last evening.

Meetings of Tonight.

George E. Randolph corps, Sons of Veterans, Division No. 5, A. O. H. United American workmen, No. 877, Branch No. 77, L. C. B. A. Ladies' Auxiliary, Railroad Trainmen (afternoon). Retail Clerks' Protective association, Carbondale Council, No. 924, Royal Arcanum.

Piano Recital Tonight.

This evening, the pupils of Miss Alice Bridget, assisted by Miss Gaughan, soprano, of Wilkes-Barre, will give their third piano recital at Miss Bridget's home, 38 Darte avenue. The programme consists of twenty-six numbers.

Condition Improved.

David Lewis, of Pike street, who underwent treatment in the Wills Eye hospital at Philadelphia for a couple of weeks, has returned home. While he was benighted, the doctors informed him that a permanent cure is impossible.

Graduated Yesterday.

Miss Eleanor Jones, the talented and accomplished daughter of Hon. S. S. Jones and Mrs. Jones, was graduated yesterday at Blair Hill, Blairtown, N. J. Her parents were present at the exercises.

Change of Positions.

Frank Kerl, of Honesdale, who for some time has been employed in the Emergency hospital, has left for Schenectady, N. Y., where he has secured a position.

Alderman Morrison the Same.

The condition of Alderman William Morrison was unchanged last night. His physicians are striving hard to ward off pneumonia.

Installed Officers.

Mrs. George W. Hughes went to Archbald last night to install the officers of the Rebekah lodge of that borough.

THE PASSING THRONG.

Mrs. M. B. Madigan has returned from a week's visit in Wilkes-Barre. City Engineer S. H. Kupp spent the past few days at his daughter's home in Hazleton.
 Misses Kathryn Cory and Minnie Phillips spent Tuesday afternoon at Crystal Lake.
 Miss Martha Brink, of Darte avenue, spent Tuesday with friends in Pittston.
 Miss Grace Moore has returned to her home in Aldenville, after a week's visit with relatives in this city.

JERMYN AND MAYFIELD.

The public school term was closed yesterday afternoon at the morning the following programme was rendered in Professor Barrett's room: Recitation, Abraham Lincoln, Willie Allen; recitation, "The City Girl Sets a Hen." G. McChrone; recitation, Louise Nicholson; recitation, Elmer Miller; recitation, Willie Gilbert; recitation, "Boys," Seth Sprague; song, "Hello Central," Eva and Alta Edmunds; recitation, "Vacation," Bertha Forchener; recitation, Helen Whitmore; recitation, Alice Jones; recitation, Margaret Moore; solo, Lizzie Sharkey; recitation, Viva Whitmore; debate, Resolved, that fire is more destructive than water." affirmative, Preston Badger and Susie Davles, negative, Harold Davis and Boush Sprague; recitation, Mabel Alvord; recitation, Annie Murphy; recitation, Lauretta Irving; recitation, Cora Jones; cornet solo, Alfred Horswell; recitation, Agnes Freese; song, Edith Griffiths, song, Alvira Day.
 In the debate the negative side prevailed the decision. The judges were Miss Cora Davis, J. T. Jenkins and

PATRIOTISM

The stomach is a larger factor in "life, liberty and the pursuit of happiness" than most people are aware. Patriotism can withstand hunger but not dyspepsia.

ROSE ON APPLE TREE.

A Freak of Nature That Interested South Main Street Hill Residents.

For the past week, the residents on the brow of the South Main street hill have been interestedly discussing what appeared to be two roses in bloom on a crab-apple tree.
 This freak of nature, as it was, was located on the property of Michael Duggan, on New Cemetery street. It was located there, but is now disappearing, the rain and wind of the earlier part of the week having broken away the flower and blown it into the air. What leaves remain of the perfect rose in formation and appearance were
